

LEAP

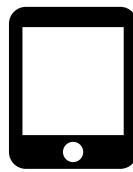

**ACCURATE ESTIMATES. BEAUTIFUL PROPOSALS.
HAPPY CUSTOMERS. HIGHER PROFITS.**

Leap gives you total control over your sales process. From integrated financing and secure payment processing to the product brochures that are presented to customers, and everything in between. It's the only tool your salesperson needs to estimate, present, and sell your service or products!

EFFICIENCY

Creates extreme efficiency! No more emails, contract or pricing errors, outdated resources, delayed communications or any other errors or redundant process associated with in-home selling. Reduces employee onboarding times and saves money due to time allocation reduction and contract errors.

TRANSPARENCY

Gives business owners total transparency to everything their sales rep did or did not do while meeting with a prospect - all while creating a digital record that's stored to a server.

SECURITY

Creates a secure environment including protecting all company assets like pricing, as well as protecting customer data and maintaining PCI compliance. Add or remove users at the click of a button and determine what data users have access to.
